Life's better when you choose products made close to home.

At Fruit of the Loom we manufacture over 90% of the garments for our European customers right on our buyers' doorsteps at our purpose-built manufacturing facility in Morocco. Here, the credibility of our ethical and sustainable operation is enhanced by the massive number of shipping miles saved when you choose Fruit of the Loom garments made much closer to home.

Reduced Transportation, Lower Emissions

Morocco's proximity to the European market means our garments travel a fraction of the distances compared to products sourced from farther regions like China and the Far East. Across millions of products, the impact of savings in transport emissions is hugely significant for any business looking to source garments more sustainably.

Great availability on all styles

Manufacturing closer to you means we're not just planet-friendlier – we're also faster! Customers can expect greater availability, ensuring you can keep pace with market demands.

Demand for greener garments is high

Businesses and consumers are becoming increasingly conscious of where their garments come from – products with a smaller carbon footprint are in demand in today's market.

Supporting sustainable, ethical choices

Every time you choose a garment from our Moroccan facility, you're advocating garments made the right way – ethically and sustainably.

Compare distances garments travel...

Most of our garments ship from the port of Casablanca in Morocco. The map below shows how a typical journey from Casablanca to Rotterdam compares versus from other manufacturer's ports.

Choosing Fruit of the Loom can save up to seven times the shipping distance versus garments manufactured in Asia.

Accreditation - your assurance of our commitment.

OEKO-TEX®

All our garments – whether manufactured by us or outsourced – are tested for harmful substances and certified according to Standard 100 by OEKO-TEX®.

Sizes for everyone!

From the smallest children's size to the largest adult, Fruit of the Loom makes garments for everyone. There are two different cuts for men/unisex styles (classic and fashion fit, see opposite), and while our kids' styles can also be worn as unisex, some also feature a specific girls' fit too.

All our measurements are based on actual "to fit body" sizes, and are not the garment measurements. For example, a Fruit of the Loom Polo with a chest-to-fit size of 92-97cm/36-38" will fit someone with those chest measurements. Similarly, jog pants with a to-fit-waist measurement of 86cm/34" is designed for somebody with those body waist measurements.

And the great news? Whichever fits and sizes you choose – both kids and adults – colours match across the collection. So for times when that's important to you, everyone can wear the exact same shade.

Classic or fashion?

You choose your look

Across our T-Shirt collection we use two different fits for our adult men's/unisex styles. Our Valueweight, Original, Super Premium, Heavy, Iconic 195 and Iconic 150 Long Sleeve T's are all cut in a Classic Fit: a little roomier in the body and around the shoulders and arms.

For a more fitted look, choose our fashion fit styles – check out our short-sleeve Baseball, Ringer, Iconic 150 and Iconic 150 V-Neck Ts. These are cut slimmer in the body, a little shorter, more fitted in the sleeves and around the shoulders with a narrower neck rib depth; simply choose the fit that works best for the look you want.
